Steve:

Thanks so much for all your help in selling our wonderful vacation cabin in a remote area outside of Pinedale, Wyoming. When I was trying to decide who to list my property with I was a little concerned about getting someone out of Jackson which is about an hour and twenty minutes away. However you were highly recommended by everyone in the area. I came to find out that you knew more about the properties in the Pinedale/Daniel/Bondurant area than most of the locals! Your familiarity with the entire area and what has sold and what was for sale was invaluable.

I couldn't be more pleased with how things worked out. You did everything that you said you were going to do and more. I would recommend you to anyone who had property for sale in northwestern Wyoming.

I want to wish you the best of luck and thanks for everything.
