Dear Steve,

It has been almost a year since we sold the business and later the real estate for the business. We could not have done it without your expertise and guidance.

Your unique set of skills as an experienced realtor, lawyer and a businessman definitely contributed to our successful sale.

You were honest and forthcoming with us and gave us solid advice about how to best accomplish our goals.

You guided us through quite a life changing experience, and we will forever be grateful. We have on several occasions recommended you to others seeking to sell real estate.

Thank you Steve for your professional assistance and for what has become a very important friendship that will last the rest of our lives.

Warm regards,

Dean S & Carol A Lewis
